Packing in Reams: (As per IS 6211/1993)

1. Paper and board in sheets shall be made into reams and the ream mass reckoned on the basis of 500 sheets and wrapper only. Each packet shall consist of 500 sheets of submultiples of 500 sheets depending on the mass and type of paper and board both in flat and fold packing.
2. In fold Packing, folded reams shall contain 20 quires, each of 25 sheets folded together.
3. The number of sheets in a packet shall be determined on the following basis:
 - a) Paper below 27 kg. per 500 sheets shall be packed into packets of 500 sheets each;
 - b) Paper from 27 kg. to 54 per kg. per 500 sheets shall be packed into packets of 250 sheets each;
 - c) Paper above 54 kg. per 500 sheets shall be packed into packets of 130 sheets each;
4. Board shall be packed in packets of 150 or 75 sheets each depending on the basis mass. Boards can also be packed in 72, 100 or 144 sheets.
5. The packets as determined above (see 3.1) shall be wrapped with mill wrapper of at least 150 gsm when each sheet is used and of at least 80 gsm when two sheets are used. The packet shall be pasted with kraft paper gum tape (see IS 4185:1989), 5 cm wide at the joints. Jute strings/twines shall not be used for binding the packets. The packet shall then be made into bundles.
6. Bundle Packing
The packets shall be made into bundles weighing up to a maximum of 75 kg. each and wrapped into Hessian cloth and stitched with Jute twine. In monsoon season, two layers of waterproof bitumen laminated paper (see IS 1398:1982) or bitumen impregnated paper(see IS 5134:1977) or poly laminated wrapper may preferably be used before gunny packing for bundles in order to avoid moisture penetration. For coated paper a polythene wrapper should be used to wrap the paper before gunny packing, irrespective of the seasons.
7. Bale Packing
In case of bale packing, the ream packets shall be packed in bales. The net mass of each bale shall not exceed 200 kg. Wooden boards or battens of a size not less than that of the package shall be used both at the top and bottom sides of each bale for protection after wrapping the bale with Hessian cloth and stitching with jute twine and then tied with steel strapping all round. The bales shall be tied with 4 steel strappings, 1 in the direction of length and 3 in the direction of breadth.

12.(b) Rates should be quoted per “unit” as specified in the schedule. Non-compliance will render the tender liable for rejection.

13. The Director Government Printing and Stationery reserves the right to consider or reject any or all tenders without assigning any reasons.

14. The Director Government Printing and Stationary reserves the right to accept either the tender in full or part or divide the quantity amongst one or more tenders without assigning any reasons

15. The Director Government Printing and Stationery does not pledge himself to accept the lowest or any tender and also reserves to himself the right of accepting the whole or any part of the tender or portion of the quantity offered against any item and you shall supply the same at the rate quoted. You are at liberty to quote for the whole or any portion of the quantity of any such item or state that the rate quoted shall apply if the entire quantity of any item is taken from you. The Director Government Printing and Stationery further reserves to himself the right of accepting or otherwise any of the conditions stipulated by you in your tender.

16. In the Event of an order being placed with you against this tender and if you fail to supply any stores in accordance with the terms and conditions of Acceptance of Tender or fail to replace any stores rejected by the Director or any person on his behalf within such time as may be stipulated, the Director, Government Printing and Stationery shall be entitled to purchase elsewhere, without notice to you on the account, such stores from any other source and at such price as the Director, Government Printing and Stationery shall in sole discretion think fit and if such price shall exceed the rate set out in the schedule to Acceptance of Tender you shall be responsible to pay the difference between the price at which such stores have been purchased by the Director Government Printing and Stationery and the price calculated at the rate set out in the Schedule.

17. Sample :-

17. (A) Tender Samples are not required unless specifically called for.

17. (B) Quotations without samples where samples are specifically called for will not be considered.

17. (C) Sealed samples should be submitted with a label showing (i) Name and Address of the firm, (ii) Tender No. , (iii) Opening date of Tender.

17. (D) All samples submitted for any reason should be supplied without charge and freight paid and without any obligation on the D.G. P. S. officer as regards safe custody.

17. (E) In case you submit a sample with your tender the same shall not govern the standard of supply except when it is accepted instead of any scaled pattern.

17. (F) Tender samples should be submitted physically on or before the opening date of Tender in respect of each item as mentioned in the Tenders along with separate chalangans in triplicate for each schedule at the Office of the D. G. P. S. , Government of Gujarat, Block NO. 6, 4th Floor, Udyog Bhavan, Gandhinagar. In case of failure the quotation will be rejected at the discretion of the above Officer.

17. (G) (1) Upcountry firms are requested to send packing note in duplicate along with the samples and Railway parcels and parcels sent under the Parcel Transport Scheme of G. S. R.T. Corporation should be sent as "Fully Paid Home Delivery Parcel" so that the samples are received by this office on or before the opening date. Otherwise, this office is in no way responsible for getting the parcels cleared from Railway premises or delivery centre of the G. S. R.T. Corporation.

17. (H) (2) In case of samples sent by railway parcels or through the G. S. R. T. Corporation R/R or parcel receipt of the G. S. R. T. should be posted separately to the address of the undersigned and not submitted with the tender documents.

17. (I) (3) Samples for alternative offer, if any, should be clearly related by number of letter in unambiguous terms to the quotation to which it refers.

17. (J) After the Tenders are decided, rejected samples, with the returned to the respective tenderers provided of course, the samples are not destroyed or consumed during testing and examination. The tenderers will have to make their own arrangements to remove the tender sample before the expiry of the final date of removal of sample which will be intimated to them This intimation will be given under Postal Certificate to ensure safe delivery. If the samples are not removed by the date, they will be disposed of in a manner deemed fit.

17. (K) It has been the practice in the past with certain tenderers to submit a sample of a quality that the rate quoted does not permit of strict adherence to the sample, thereby causing numerous rejections. Tenderers are therefore warned that sample should not be submitted of a quality that they are not able to procure or maintain the quality in ultimate supplies. The samples submitted are in all cases preserved for comparison with supplies and rejection will be made if supplies are not reasonably in accordance with the approved samples.

17. (L) Tenderers are hereby warned that the quality will be done of the chief deciding factors both in the matter of deciding tenders and in inspecting bulk supplies. If even a small percentage of samples drawn at random in bulk supplies fails to come to the standard of the tendered sample, the entire supply is liable to be rejected and no excuse whatsoever that manufacturing difficulties, raw materials etc., were responsible for deviation in quality will be entertained on any account.

The tenderers who cannot comply with this conditions will be well advised in their own interest not to respond to this tender. Penalties for default will be enforced very rigidly.

17. (M) Samples submitted against earlier Enquiries by the same tendering firm can be considered provided the tendering firm exactly states in its tender to consider its tender on the basis of the tendered samples against previous tender inquiry. The tender should be considered provided such samples are in custody of D. G. P. & S. and are in proper form *i. e.* are not destroyed or used up during previous testing Joint Scrutiny.

18. You will be required to enter into agreement for the due performance of the contract. It should be stamped with an adhesive stamps as per instructions given below and should be signed before any Gazetted Officer of this office or before a First Class Megistrate or a notary public:---

(a) Agreement with no security deposit.	Rs.	100-00
(b) Agreement with security deposit paid in G. P. Notes/Bank Guarantee	Rs.	100-00 For agreement and Rs. 100-00 for Bank Guarantee
(c) Agreement with security deposit paid in any other manner 8% of the total value of the Security Deposit +	Rs.	100-00 of adhesive stamp.

19. Warranty Guarantee, if any, for the stores offered by you, should invariably be stated in your tender, failing which standard clause to this effect adopted by Director, Government Printing and Stationary Gandhinagar shall apply viz, for twelve months.

20. It should be noted that if a contract is placed on a higher rate as result of this tender in preference to lowest acceptable offer in consideration of your offer of earlier delivery, you will be liable to pay to government the difference between the contract rate and that of the lowest acceptable tender in case of failure to complete supplies in terms of such contract within the date of delivery specified in the tender and incorporated in the Acceptance of Tender. This is without prejudice to other rights under the terms of contract.

21. (a) You shall guarantee regular and timely supply for a period of three years of all the spare parts required for the normal working of the machinery tendered for. Such a guarantee shall be accompanied by a Certificate from a Chartered Accountant that you are holding a stock of such spare parts, sufficient enough for a period of three years normal working of the machinery without any condition of Import Licence.
